

Meet The Members!

Hi Ladies!

I am excited to be Miss February.

I ❤️ this club!

My name is Mary Worth and I'm a motorcycle mama making many merry memories mile after mile! The mystique of motorcycles peaked in my mid-forties when I bought my first bike that was Sinister Blue. I had no idea how to start it or ride it but I loved the sound of this sexy Sportster now parked in my garage. I occasionally would catch my husband sitting on it and was pleasantly surprised when he decided to get one too. We took the

motorcycle safety class and began to share a new hobby.

I was introduced to Dee Quinn, the founder of our LOCAL chapter at one of Skip's bike nights & she invited me to a meeting. I have been hooked ever since! During my 6 years of membership, I've been the Chapter Newsletter Editor, I am also the immediate Past President & I am now our new Webmister's Mistress! I find that the more involved I get, the more I get out of it and I encourage others to do the same.

EVL MARE is a nickname that I acquired with my Sportster when my mechanic was side-swiped by a van while riding my bike trying to trouble-shoot a problem they couldn't seem to correct. The good news is that Ronnie was all right & the nickname fit perfectly on a personal license plate with all my new shiny parts. Since then my hubby upgraded to a Dyna Wide Glide & he suggested that I get a Dyna Low Rider. It was hard to part with my first bike.....until I rode my new one! It turned out to be a perfect fit! Riding my bike is my legal high & I like to get high as often as possible! LOL
