Maria Ramirez

Hello Ladies,

First of all I like to thank you all for selecting me to be Miss July 2008. My name is Maria Ramirez. I am very happy to be part of such a wonderful group of ladies that share the same passion as I do. I have lived in Riverside all my life, well almost all. I have been a member since 2000. I've ridden bikes since my Mid-life crises... Just kidding.

My first bike was a beach cruiser then a moped then

a Honda 650, then I got brave, got a ninja which landed me under a car. So I calmly pulled it out and got back on it took it home and parked it. I then decided to get something a little bit more grounded a 1987 Honda Rebel.

In 2000 I got my first Sporty. I am currently riding a 2008 Sportster. I am currently working for Kaiser Medical Center in Riverside as a Healthcare Officer/ACSM. I love my kids Daniel, Andrea, Austin, Jessica & Lillian.

I want to thank everyone for the opportunity of being Miss July 2008. I will never forget this moment.

I look forward to riding and partying with you all soon. Take care ride safe.

Maria
